THE MODERATOR'S MESSAGE

Four hundred churches with 100,000 members lead the National Association of Congregational Churches into the mid-eighties. A strong, maturing fellowship of free churches keeping alive the spirit and local autonomy that has characterized Congregationalism for over four centuries. This is the same spirit that kindled the fires that nurtured the beginning of our nation and still affect our political, social and religious lives.

Although we are proud of our growth and look forward to continuing progress, we should not lose sight of the fact that size is not the end-all. Where two or three Congregational Churches are joined or gathered together in love and fellowship, the spirit will never die and the fire will never go out.

This yearbook is, of course, a compendium of information. It contains the records of those gathered in the Congregational Way. We may consult its pages to verify a name or address, locate a church or identify a minister, determine the personnel of a Committee or Commission, supply a telephone number or study a By-Law!

The staff in our office in Oak Creek makes a great effort to have the record as complete and accurate (and therefore useful) as possible; we are grateful for the diligence.

As membership in the N.A. certifies our faith and love of freedom in exercising it, the completeness of the Church records in these pages is a reflection of our devotion to one phase of "keeping fellowship."

- Roland L. Sutton

DEDICATION

THIS 1981 – 1982 YEARBOOK IS DEDICATED
TO ROBERTA PAETOW,
FAITHFUL EMPLOYEE, 1967 – 1981.

FROM THE EXECUTIVE SECRETARY

Although in forty years I served four churches, I never preached a farewell sermon to any congregation. I have heard of a few of my colleagues who took such an occasion to "tell off" the people and set them straight, probably working off a multitude of frustrations in the process. As a matter of fact, I never even felt the urge to do so.

This is my last official opportunity as your Executive Secretary to contribute a page to the Yearbook. And I don't have any urge to tell anyone off on this occasion either.

The six years have sped past swiftly and pleasantly. There have been some disappointments, a few frustrations, but many, many experiences of joy and satisfaction.

It is easy to get caught up in administrative details, statistics, the minutiae of organizational structures and to forget the purposes for which our Association is gathered: to promote and strengthen the well-being of each church and to provide a vital, voluntary fellowship among the churches. Above all to be concerned that Christ's gospel be proclaimed and His love demonstrated to the world through deeds of kindness and helpfulness to "all sorts and conditions of men."

I should like to dedicate this 1981-1982 Yearbook to Roberta Paetow in recognition of her fourteen years of devoted service to the N.A. Editing and preparing these Yearbooks for printing have been one of her many responsibilities through the years. She leaves our organization to accept a position in the business world. We wish her well.

Next year, Ray Appelquist will greet you from these pages. Offer him, as you have given me, your support, your prayers and your love.

- Erwin A. Britton

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, Churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by Churches and voting privileges are accorded only to delegates from the Churches. If other provisions prevail, a brief descriptive sentence follows the name of the organization.

An "X" appearing before the name indicates that updated information has not been received and that the data included is reprinted from last year's Yearbook. Groups which have not responded in two years to requests for information are listed, however, to avoid publication of outdated information, officer information is omitted.

The groups are listed alphabetically by state or geographical area.

THE DIVISIONS OF THE CORPORATION

BUILDING AND LOAN FUND

The Building and Loan Fund was originally incorporated in April, 1959, (without stock and not for profit). In March, 1962 the incorporated Fund was dissolved and its assets were transferred to the corporation for the National Association with the Building and Loan Fund becoming a Division of the Corporation.

Its purpose is to promote, encourage, assist, and in any manner aid the establishment, building, remodeling, maintenance, repair, location and/or relocation of Congregational Christian Churches which are members of or affiliated with the National Association of Congregational Christian Churches. It seeks and encourages contributions from Churches and individuals so that it may extend assistance to an increasing number of Churches.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES

Since 1961, the Congregational Foundation for Theological Studies has been providing counsel and financial grants to students preparing for a Christian vocation. The primary concern of this Division is to provide our local Churches with well-trained pastoral leadership.

To date, 95 students have benefited from the counsel of the Dean, the assistance of an advisor and financial grants.

The Foundation's program is available to a well-qualified person determined to become a Minister, Director of Religious Education or some other kind of special Minister or Teacher.

To continue its mission, the Foundation is dependent upon the member Churches of the Association to provide several things:

1. Regular fiscal support.
2. Encouragement to young people in their parish to consider becoming a parish minister, Director of Religious Education or prepare for a special kind of ministry.
3. Provide the Dean with the names and addresses of persons showing such an interest.
4. Provide practical work experiences in the local church for seminary students.

THE MISSIONARY SOCIETY

A statement of purpose for the Missionary Society, a division of the Corporation for the National Association, appears in the By-laws of the Corporation as follows:

"To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distribute such funds and properties as may be entrusted to it according to the expressed wishes of the donors, or in the absence of such designation, by the vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generally to stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the Congregational Christian Churches as stated in the Articles of Association and By-laws of the National Association of Congregational Christian Churches of the United States."

The activities of the Missionary Society are managed by up to twelve division members. All funds received are disbursed through the Treasurer of the National Association. Designation of gifts for specific missionary projects is faithfully complied with in the disbursement of funds.

Currently, the Missionary Society is supporting Congregationalism in many communities across our country, including churches in Alaska and Hawaii, together with mission work in thirteen foreign countries. A gradual increase in all major areas of interest and concern is to be expected.

CONGREGATIONAL CHURCH DEVELOPMENT

A statement of purpose for the Congregational Church Development Division appears in the By-laws of the Corporation for the National Association as follows:

"To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey; including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose".

The Division has the power to accept, accumulate, and expend funds designed for the above purposes, all funds being held in the name of the Corporation for the National Association. It elects its own officers, and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It has also assumed the promotion and administration of the Ten Dollar Club, as well as offering counsel and support to existing Congregational Churches with special problems.

COMMISSIONS OF THE NATIONAL ASSOCIATION

The Functions of the Commission

The Commissions of the National Association actually are extended sub-committees of the Executive Committee, charged with responsibilities in specific areas of concern such as Christian Education, the Ministry, Communications, World Christian Relations, Spiritual Resources, Women, and Youth.

The Executive Committee designates a liaison representative to each Commission. Commission members are to be nominated by the Executive Committee and elected by the National Association, after nominations from the floor, for four year terms so that one-fourth of the membership changes each year. The Executive Committee also appoints the chairman of each Commission for a one-year term, after consultation with each Commission.

In practice, the Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee, including recommendations for actions by the Executive Committee. Some of these recommendations require further action by the National Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations in turn are submitted at the Annual Meeting.

In the case of some of the older Commissions, records are not available on the enabling resolutions which originally brought them into existence. It has therefore been necessary to draft a current statement of their activities based on actual practice, as a matter of information to the membership of the National Association.

The Commissions normally meet twice a year; during the fall months and immediately before the Annual Meeting of the National Association. Seminars are planned by many of the Commissions in conjunction with the Annual Meeting of the National Association.

COMMISSION ON CHRISTIAN EDUCATION

The Commission on Christian Education was organized in 1957 to assist churches with their Christian Education programs and to help implement the progress of the Congregational Way.

Believing that our historical heritage embodies the basic principles of freedom and fellowship, the Commission devotes most of its efforts toward Heritage Materials designed for all ages. The Commission is also aware of the difficulty encountered by many churches in choosing a total curriculum and has provided charts and guides to aid each church in the evaluation and choice of curriculum materials suitable for its immediate needs.

It is our hope and prayer that through the influence of Christian Education the great freedoms of the Congregational Way will move forward to benefit all mankind and will inspire all to "stand fast in the liberty wherewith Christ has made us free."

COMMISSION ON THE MINISTRY

The basic responsibility of this Commission is the nurture of the Christian ministry in the churches of the National Association.

Working closely with the staff Secretary for Pastoral Relations, the Commission concerns itself with policy aspects of securing ministers and problems arising within the purview of his office. The Commission has been assigned the responsibility of overseeing the endorsement of ministers as chaplains in Federal government and other positions requiring such certification.

The Commission supervises grants of financial assistance to ministers, both active and retired, who face emergency financial crises. Commission members constitute the board of directors of the Hoerner Fund and supervise the distribution of gifts and grants to retired ministers and their surviving spouses.

Because of the shortage of fully trained ministers to serve small, low-budget churches, the Commission on the Ministry has encouraged local training programs for preparing Laymen to serve these churches in limited areas. A manual and other materials are available for a course in lay preaching from the Oak Creek office. The Commission is understandably concerned with recruiting young men and women to train for full time Christian service and, therefore, retains a liaison relationship with the Foundation for Theological Studies.

Always concerned with fostering traditional Congregationalism the Commission on the Ministry periodically distributes and recommends, when requested, material in the area of faith and order in the free church.

The Commission has inaugurated and has the responsibility for continuing the National Association Ministers' Convocation held the second week following Easter each year. A limited number of grants are distributed for individual attendance at seminars, workshops and other non-degree programs of study and enrichment.

The Commission has general oversight of recommended programs for the protection, welfare and career development of ordained ministers in the National Association. Information on these can be obtained by writing to the Secretary for Pastoral Relations.

SPIRITUAL RESOURCES COMMISSION

The Spiritual Resources Committee, which stemmed from a motion made at the Hartford Meeting in 1963, was raised to Commission status at the 1967 Annual Meeting at Carthage College in Kenosha, Wisconsin, and charged by that Annual Meeting as follows:

The Spiritual Resources Commission shall be charged with the responsibility of encouraging and increasing the knowledge and love of God in both personal and corporate devotions, and of witnessing in the world to Christ and his Gospel.

The Spiritual Resources Commission undergirds the spiritual aspects of the National Association, and acts as a continuing stimulus to the devotional life of the Churches.

The Commission sums up its purpose by taking as its watchword Matthew 6:33 "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

WOMEN'S COMMISSION

The objective of the Women's Commission is to further the work of the Kingdom of God by uniting the women of the Congregational Christian Churches in Christian Fellowship through programs of education, spiritual growth, and testimony expressed in stewardship and service. The Commission seeks to be a clearing house for ideas and methods found effective in promoting women's responsibilities in the local Churches and in the larger area of the nation and the world.

For assistance, helpful material is available upon request from the national office, P.O. Box 1620, Oak Creek, Wisconsin 53154. Among materials available are, program planning material for interesting programs, timely devotional readings, the Missions Directory as well as suggestions for hand work for missionary projects, and offering envelopes for the Women's Project. There is a slight charge for some of these materials to cover the cost of printing and mailing.

Each year, at the Annual Meeting of the National Association, the women select areas for our combined benevolences called the Women's Project. Each year our gifts have been larger and we hope for continued growth in our Women's Projects.

The Commission supports and encourages state and regional meetings of Congregational women and the formation where desired of statewide Congregational Women's Fellowships.

WORLD CHRISTIAN RELATIONS COMMISSION

The World Christian Relations Committee was brought into being at the Minneapolis meeting in 1962, and at Wichita in 1964 was given full Commission status.

In creating the Commission, the National Association charged it as follows:

"...The World Christian Relations Commission shall be charged with the responsibility for making effective witness to the Free Church Way in this country and around the world. It shall be the agency of the National Association of Congregational Christian Churches in initiating, implementing, sustaining and improving relations with all other established religious bodies in a spirit of fellowship."

The Commission is also charged with implementing our relationship to those agencies having a concern for Congregational Christian history and heritage. The vitally imperative obligation of making the Congregational voice heard in an ecclesiastical milieu where the presbyterial, episcopal, and papal claims are clear and insistent, rests with this Commission. The cause of Congregationalism will not be served by timid isolation. With wisdom, persistence, and imagination we will cause the Congregational Way to be seen among men.

COMMISSION ON YOUTH

It is the purpose of the Youth Commission to offer local churches youth program resources and support so that the churches can provide opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Youth Commission does not seek to provide a total program for the local church youth, rather, it seeks to support these groups and extend specific help when it is requested. In accord with this aim, the Commission engages in the continuing development of resource material for use by the churches.

Further, the Youth Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the National Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Youth Commission. These special programs are available to the High School and College young people of all National Association churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

PILGRIM FELLOWSHIP

The purpose of the National Association Pilgrim Fellowship is:

"To promote a free Christian way of life among the youth of our country; to unite all Congregational young people in worship, fellowship and service; to develop the spiritual qualities and leadership of youth; to convey our ideas to the world in Christian action."

The activities of the NAPF are directed by national officers elected at the Annual Meeting. As a part of the program of the Commission on Youth, the NAPF operates under the Commission with the assistance of an advisor appointed by the Commission. The NAPF strives to serve local groups by providing aid and encouragement at the Annual Meeting and by communications throughout the year.

HERITAGE OF PILGRIM ENDEAVOR

HOPE is an active fellowship of young Congregationalists who have graduated from high school and who wish to continue their ties with the National Association. It operates under the guidance of the Youth Commission and has a director and assistant director appointed by the Commission. The objectives of HOPE are three fold:

1. To provide a continuing fellowship for Congregational young people who have graduated from high school.
2. To provide enthusiastic and dedicated leadership for the Pilgrim Fellowship.
3. To become intelligent and creative adult members of the National Association.

ARTICLES OF ASSOCIATION

of the

National Association of Congregational Christian Churches of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of the Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and,

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

VII. STANDING RULES

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association, or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. Not less than five members of a Referendum Council shall and must be laymen. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The act of recordation shall be a mere acknowledgement of the fact that he is the pastor or minister of a member Church of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion of his name in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purposes of the National Association as stated in Article II of the Articles of Association.

- (a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.
- (b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a larger body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY

Unless otherwise provided, meetings shall be conducted in accordance with Robert's Rules of Order (Newly Revised Edition).

An Exciting Partnership In Gathering New Churches

Sponsored early by the Congregational Church Development Division, three new Churches gathered in Lewisville, Texas; Littleton, Colorado; and Sun City, Arizona are all prospering. All have either completed and are occupying their new building or are about to do so.

Initiated by the Rocky Mountain and Florida Associations, three additional Churches are being gathered in which the Congregational Church Development Division is also involved. Upon local initiative and with Congregational Church Development assistance, a new church is being gathered in Randolph, New Jersey. One established church, in Illinois, is being assisted in a program of renewal.

These churches are growing in numbers and in service, and are made possible because of the generosity of Congregational friends throughout the country.
